Grade is for 2026–2027. LLA is a supplemental co-op, not your child's school of record — each family keeps its own Maine homeschool compliance.

FULL NAME	DATE OF BIRTH	GRADE

3 Learning Support

Anything that helps a teacher teach your child well — a diagnosis, an evaluation, reading or attention or anxiety, what tends to work. Our discipline policy treats difficulty and unwillingness as different things, and this is how we tell them apart. Nothing here counts against a student.

Please initial each one.

Emergency Medical Treatment

If my child is injured or becomes ill during an LLA activity, I authorize LLA teachers and supervising adults to give basic first aid and to seek emergency medical care if I cannot be reached in time. LLA will contact me and the emergency contacts above as soon as it is practical. I accept financial responsibility for any care my child receives.

INITIAL _____

Participation & Assumption of Risk

LLA is a cooperative homeschool program meeting on church property. Activities include hands-on projects, physical movement, outdoor time, and off-site field trips, and ordinary participation carries some risk of injury. I accept that risk on behalf of my family and agree not to hold Lions Light Academy, its volunteers, or the host church responsible for injury or loss arising from ordinary participation. This does not waive liability for gross negligence or intentional misconduct.

INITIAL _____

Photographs & Student Work

We photograph co-op days and publish student projects on our website. Choose one:

- ☐ Yes, with my child's first name
- ☐ Yes, but no name shown
- ☐ No photographs of my child

Change this any time by telling a co-op leader in writing.

INITIAL _____

8 Acknowledgment & Signature

All are in the Resources library at lions-light-academy.pages.dev. Check each to confirm you've read it.

- ☐ Code of Conduct · v1.2
- ☐ Escalation & Discipline Policy · v1.2
- ☐ Parent Packet · v3
- ☐ Student Safety & Emergency Plan · v1.2

I have read these and agree to support them. I understand LLA is a co-op of active learners, that learning is my child's own work, and that a student who will not take part in learning cannot remain in the program. I also consent to my child holding an account in LLA's Google Classroom, Chat, and Slack spaces, where the Code of Conduct applies as it does in a classroom.
