

Run Sheet

Teachers 8:30 · students 8:45 · opening 8:50. Today is not a normal Tuesday — the opening hour replaces first period and regular classes begin at 10:00.

8:30

Teachers arrive

Fifteen minutes before students — work down this list in order

- ☐ Unlock, lights on, thermostat set
- ☒ **Walk the building together — every adult sees where the first aid kit is**
Not "it's in the office." Walk them to it.
- ☒ **Name the adult who walks at the back of the group on the fire route**
One person, named out loud, so it is not decided at 9:00.
- ☒ **Say the furniture staging spot — one place**
The cards currently disagree: Main and Yellow say by the H.S. classroom, Gray says main room. Pick one.
- ☐ Cleanup cards to the room leads — Damian, Erika, Jess & Ginny, Leah
- ☐ Shed attendance sheet and first aid kit staged by the door
- ☐ Erika confirms she calls 911. Savannah confirms she contacts parents.
- ☐ Registration, Code of Conduct and pledge paperwork out on a table
Five families still owe registration and Code of Conduct.

8:45

Students arrive

Decided — 8:45, matching what families have already been given

- ☐ Belongings neatly along the entryway wall
- ☐ Straight to the Main Room

8:50

Opening

Everyone in the Main Room

- ☒ **Open with prayer over the year**
Before anything else. This is the first thing that happens at Lions Light Academy.
- ☐ Worship
- ☐ Welcome — every adult stands and is named
- ☒ **Lunch today is on us**
From next week, families bring their own.

9:00

Fire drill — walk the route

On foot, the whole way, before anyone is tired or distracted

- ☒ **Walk the fire route to the shed — everyone, on foot**
- ☒ **Take attendance at the shed**
Known absences written in *before* you walk out. Unaccounted names said out loud.
- ☒ **Nobody goes back inside until Damian or Ginny says so**
Not the alarm stopping. Not because it looks fine.
- ☐ On the way back, ask students: **"Where do we go?"**

9:20

Expectations

Same talk for every age

- ☐ Code of Conduct — the short version, in your own words
- ☒ **Hand out the student pledge**
Grade 7 and up sign it in the room, on paper. Grade 6 and under take it home for a parent.
- ☐ Three strikes — and what is *not* a strike
Coming without your work once is not a strike. Twice in a row without a reason is.
- ☐ Homework is your work. Nobody can do it for you.
- ☐ Collect the pledges that get signed in the room

9:40

Split by age group

Fifteen minutes each

- ☐ Elementary · Middle · High School

10:00

Class 1 · 50 min

Short blocks today — 50 / 55 / 45, not the usual 80 and 60

- ☐ **HS Chemistry** — Ginny — Gray Room
- ☐ **MS Art** — Erika — Main Room
- ☐ **E History** — Leah — Yellow Room
- ☒ **Rosters on paper in every room — not on a phone**
- ☐ MS Science and E Art do not run today
Cut so that every teacher still teaches at least once on the first day.

10:50

Break + snack

Ten minutes — then move

- ☐ Snack, then straight to the Class 2 rooms

11:00

Class 2 · 55 min

- ☐ **HS Computer Science** — Damian — Gray Room
- ☐ **MS History** — Leah — Yellow Room
- ☐ **E Science** — Jess — Main Room
- ☐ 11:55 — everyone moves to the Main Room

12:00

Lunch — whole school

Main Room, forty minutes

- ☒ **Say again that lunch today is on us**
And that from next week families bring their own. Say it to the room, not to individuals.

12:45

Class 3 · 45 min

Last class of the day

- ☐ **HS Real World Ready** — Damian — Gray Room
- ☐ **Drama & Public Speaking** — Savannah — Main Room
Middle School and Elementary combined.
- ☐ Cleanup at **1:30 sharp** — warn the rooms at 1:25

Any time

Admin — catch people while they are in front of you

None of this is scheduled; all of it is easier today than by email

- ☐ **Five families: registration and Code of Conduct**
Completed paperwork goes to lionslightacademy2025@gmail.com — not Damian's personal mail.
- ☐ **Leah and Savannah — can they actually see their Google Classroom?**
Invitations went to leahyoga33@gmail.com and savannahbox86@gmail.com, but the teacher threads use leah.mikkonen@icloud.com and ssbox@att.net. A Classroom invitation only ever lives in email.
- ☐ Every teacher has accepted their Classroom invitation and can see their class
- ☐ Show teachers the website and where every document lives
lions-light-academy.pages.dev — everything is there, nothing has to be emailed around.
- ☐ Classes are owned by lionslightacademy2025@gmail.com, not a personal account
If Classroom looks wrong, check which Google account the browser is signed into.
- ☐ **Supply fees — check or cash only**
No card, no app, no Venmo. If someone asks, that is the answer.
- ☐ **Write a receipt for every single payment, on the spot**
Supply Fee Receipt form is on the site. Money is going through a personal account until LLA has its own — the receipt is the only record that it was LLA's money and not Damian's.
- ☐ **Keep one written list of who paid, what, and when**
Not in your head, not in a text thread. One page that goes home with you.

1:30

Cleanup

Explain the cards before releasing anyone

- ☐ **Hold up the assignments card: "Where do I go after my last class?"**
- ☐ Room leads take their card and keep their group together
- ☐ Vacuum route — **Yellow → Gray → Main Room** (entryway rug) → supply closet
One route, no waiting. Everywhere else is swept, not vacuumed.
- ☐ **Stewardship — say why: the building is lent to us. Leave it better than we found it.**
- ☐ Each room lead checks and signs their card, and hands it to Damian

1:45

Dismissal

- ☐ **Closing prayer**
- ☐ Ask one last time: **"Where do we go if there's a fire?"**

Last out

Final walkthrough — Damian

Only after every room card has been checked and approved

- ☐ Supply closet key returned
- ☐ All windows locked
- ☐ All doors closed
- ☐ Thermostat set
- ☐ Collect all eight cleanup cards

This week

Not today

Write it down now so it stops rattling around

- ☐ Fix the unpublished schedule to say **8:45**, then publish it
It is the only document still saying 8:30. Everything families can see already says 8:45.
- ☐ Push the site: the unlisted /kit/ folder and the tidied docs/
- ☐ Enrollment form is still titled **2025–2026**
- ☐ Insurance from the host church — **in writing**
LLA is an unaffiliated outside group. Assume nothing.
- ☐ ID photos for Leah and Jess
- ☐ Retire the old cleanup sheets so nobody prints last year's
- ☐ Maine nonprofit filing, then EIN, then a bank account
Until that exists every supply fee runs through a personal account. The receipts are what keeps it clean.
- ☐ Reconcile today's receipts against what actually came in
