Before you walk out

Take this sheet. Write today's known absences in the box below **now** — not at the shed.

At the shed

Tick every child you can see, then the adults. **Nobody goes back inside for anything.**

Before anyone returns

Damian or Ginny says when — **not the alarm stopping**, and not because it looks fine.

KNOWN ABSENT TODAY

Filled in from the roster before you walk out.

UNACCOUNTED FOR

Not ticked and not known absent. Say these names out loud.

If a name is unaccounted for, tell Damian or Ginny immediately and keep everyone else at the shed.
