

Payment Log

One line per receipt, filled in as you hand each one over. The numbers below match the printed receipts — if a number has no line here, that receipt has not been accounted for.

TOTAL COLLECTED

Check and cash only. No card, no app, no Venmo.

This is a participation fee, not a charitable contribution — it is **not tax-deductible** and should not be claimed as one.

Until Lions Light Academy has its own bank account these funds pass through a personal account. **This sheet and the co-op halves of the receipts are the only record that they were the co-op's money.** Keep them together.
